PROGRAMME

Blades Theme

Dr. Torigoye will talk on sword blades although the exact theme is not yet known. Members are reminded that no questions are to be asked at this session; should any member care to write out any question Dr. Torigoye will write the answer and it will be forwarded to the person concerned in due course, or it may be answered at the next talk which will probably be at the Victoria & Albert Museum towards the end of the month. All Members will be advised in good time.

As agreed at the last meeting Members will be asked to pay 15/- at this meeting to help with the expenses of the trip. PLEASE DO NOT bring anything for exhibition at this meeting. Any member who wishes to submit anything for Dr. Torigoye's appraisal should get in touch with John Harding as soon as possible. Phone: TWickenham Green 4598.

Journal

Material for the Journal is now being accepted for publication. We hope all members will contribute either towards the small adds or the research pool - lets have some action!
