

THE TO-KEN SOCIETY OF GREAT BRITAIN
for the Study and Preservation of Japanese Swords and Fittings

HON. PRESIDENT, KAZUTARO TORIGOYE, Dr. Litt.
SECRETARY, JEFFREY RODFORD.

13

PROGRAMME

- Next Meeting Wednesday, 5th January, 1966, 7.30 p.m.
Fulham Conservative Club, 1 Shorrolds Road,
S.W.6.
- Talk John Anderson will give a talk on a series of
slides which have just been taken of some of
the pieces in his collection and will try to
answer any questions that may arise.
- Last Meeting The last meeting was a great success. This was
largely due to Bon Dale exercising his fatal
charm to obtain a copy of the film "The Art of
the Swordsmith", and with the food and special
concoction devised or invented by John Harding
all went to make it a very pleasant evening.
- Exhibition The exhibition was perhaps not so well subscribed
to as it might have been but a number of members
did make the effort to bring a few fine things
so there was still quite a lot of interest to
see.
- Films No one came forward to offer any comments for or
against the showing of films on Art subjects or
even to offer any suggestions. If you have any
ideas for future programmes, particular topics
or subjects you would like to know about or any
other ideas, please let the programme secretary
know.
- Journal Time is getting short. Please lets have any-
thing for the small ads. and research pool as
soon as possible.

Bulletin:

The date for publication has now been fixed. All small adds. and Research Pool requests for information must be in not later than 1 week from the receipt of this Programme.
